

Hi there,

We rebranded as Bluebox Integration some time ago.

Black Sheep Business Communications Ltd remains as one of the parent companies of the Bluebox Integration consortium. We also maintain the billing platform and issue invoices under Blacksheep Business Communications Ltd for the consortium's telecommunication services clients.

For all services and products, and any enquiries please see:-

www.bluebox-i.co.uk or call our help desk on Tel: 01204 221101

Thanks,
Martin Lloyd.

Black Sheep Business Communications is a North West, UK based company. It is operated as a family business with all its employees taking pride in customer service and following the principles of a jargon free and honest approach to Telecoms. This philosophy forms the cornerstone of our business.

We specialise in providing the full spectrum of telecoms services to businesses throughout the North West UK and beyond.
